**END-OF-SESSION NEWSLETTER | THIRD TERM 2024/2025**

---

**Dear Esteemed Parents and Guardians,**

As we wrap up the 2024/2025 academic session, our hearts are filled with gratitude for a fruitful and fulfilling school year. Your unwavering support, encouragement, and partnership have made this term both productive and memorable for our students and staff. Above all, we give thanks to God for His grace and faithfulness throughout the session.

Below is a summary of key highlights from the term, as well as important updates looking ahead.

---

## TERM HIGHLIGHTS

### *Academic Progress*

At Maximus Academy, academic excellence remains central to our mission. This term, our learners demonstrated remarkable progress across all subject areas. Our dedicated teachers provided focused instruction, continuous assessments, and engaging classwork to promote understanding and critical thinking.

Students in **Grades 9 and 12** successfully completed their external examinations with confidence, while other classes participated in class projects, group presentations, and revision drills in preparation for the End-of-Term Examinations.

We encourage parents to review their children's report sheets carefully, commend their efforts, and discuss areas needing improvement. Together, we are building a strong academic foundation that prepares our learners for a successful future.

### *Children's Day Celebration*

Children's Day was joyfully celebrated with various fun, interactive, and educational activities designed to make the day special and memorable.

### *Excursion*

Our Commercial/Marketing students embarked on an educative excursion to **United Bank for Africa (UBA)**, where they gained firsthand insight into the daily operations of the bank's various departments.

### *Career Talk*

As part of our future-preparedness initiatives, we hosted a Career Talk session featuring inspiring speakers who highlighted the value of hard work, discipline, and perseverance. The session provided students with valuable guidance for their career planning.

### *Extra-Curricular Activities*

This term, students were actively engaged in a wide range of extracurricular activities:

- **Public Speaking** was nurtured through weekly Literary and Debate sessions.
- **Coding classes** were introduced to junior students to spark interest in technology.
- The **JET Club** developed an exciting science project.
- The **Press and Drama Clubs** delivered creative and educational presentations that captivated the entire school.

### *Open Day & Parents' Meetings*

We sincerely appreciate all parents who attended our **Open Day**. Your presence, feedback, and involvement continue to strengthen our school-home partnership.

Special thanks also to the parents of **Grades 8, 10, and 11**, who participated in the **Parents–Teachers' Meeting**, where we discussed strategies to further support students' academic progress.

### *Graduation & End-of-Year Ceremony*

Our **2025 Graduation and Prize-Giving Day** was a resounding success! We celebrated the outstanding achievements of our learners across all classes. Awards were presented to students who demonstrated academic excellence, good character, leadership, and creativity.

We especially congratulate our graduating class — we are proud of your accomplishments and excited for what lies ahead.
