

THIRD TERM 2025/2026 NEWSLETTER

Dear Parents/Guardians,

Warm greetings from Maximus Academy.

We are pleased to welcome you and our dear students to the Third Term of the 2025 /2026 academic session. We appreciate your continued support and partnership in ensuring the success of our learners.

Please take note of the following important information for the term:

Resumption Date

School resumes on 27th April, 2026. We encourage all students to resume promptly and prepared for academic activities.

Prompt Payment of Fees

We appreciate parents that have made payment for their children's fee. Parents/Guardians are kindly reminded to ensure payment of school fees on or before resumption date to enable smooth participation in all school activities. Please note that school fees drive will commence from the second week of resumption.

Resumption Test

There will be a Resumption Test for all students during the first week of resumption. This is to assess students' retention level, readiness for the new term, and identify areas where support may be needed.

Parents' Meeting

A Parents' Meeting has been scheduled for this term. This meeting is important as it provides an opportunity for parents and the school to discuss students' academic progress, behaviour, welfare, and ways to strengthen home-school partnership for better performance.

Additionally, the school's British Council accreditation process will be discussed, giving parents insight into the standards we are working towards and how this will benefit our students academically and globally.

Mid-Term Test / Open Day

The Mid-Term Test will help monitor students' academic progress, while the Open Day will allow parents to meet teachers and receive updates on their children's performance.

Career Talk

A Career Talk will be organized to expose students to various career opportunities, guide them in making informed future choices, and inspire them to set meaningful goals.

Science / Arts and Crafts Exhibition This activity will showcase students' creativity, innovation, practical skills, and confidence while encouraging hands-on learning.

Health and Safety / Menstrual Hygiene Day

As part of our commitment to student welfare, there will be a Health and Safety Talk this term to educate students on healthy habits, personal hygiene, safety awareness, and emergency preparedness. The Menstrual Hygiene day will also be celebrated amongst our female students.

WAEC and NECO Examinations

The official commencement dates for WAEC and NECO examinations will be communicated to parents/guardians as soon as they are released.

General Information

All Christian Religious Studies (CRS) students are encouraged to come to bring their Bibles to class to facilitate easy reference during lessons.

Closing time for first week of resumption is 2:00pm. Subsequent closing time is 2:50pm, except for Grades 9 – 11, who will remain for lessons. Other students are therefore advised to vacate the school premises to reduce distractions for those still in class.

Students are encouraged to remain focused and diligent throughout the term in preparation for the promotional examinations.

We look forward to a productive, successful, and rewarding term for all our students.

Thank you for your usual cooperation.

Yours faithfully,

Mrs. Tijani

Vice Principal Administration
