THIRD TERM 2026 MID-TERM NEWSLETTER

Dear Esteemed Parents and Guardians,

We give thanks to God Almighty for His faithfulness, protection, and abundant blessings throughout the first half of the Third Term 2026. We sincerely appreciate your continued support, cooperation, and commitment to the education and overall development of our pupils.

The first half of the term has been both productive and exciting, with pupils actively participating in a variety of academic and co-curricular activities designed to foster excellence, creativity, leadership, and character development.

Highlights of the First Half of the Term

Academic Activities

Teaching and learning have progressed smoothly across all classes. Pupils have participated in classroom lessons, practical activities, reading programmes, assignments, and continuous assessments aimed at enhancing their knowledge, skills, and academic performance. We commend our pupils for their hard work and dedication to their studies.

Money Smart Week

One of the major highlights of the term was our Money Smart Week, which focused on developing financial literacy and entrepreneurial skills among our pupils.

On 19th May, 2026, pupils participated in the Smart Shopping Activity, where they learned valuable lessons on budgeting, comparing prices, distinguishing between needs and wants, and making wise purchasing decisions.

The programme continued with the Market Experience Activity on 22nd May, 2026. This practical and engaging exercise allowed pupils to display and sell various items while applying the financial and entrepreneurial concepts they had learned. Parents and guardians played an active role by

visiting the school to purchase items from their children, creating a realistic marketplace environment. The excitement, interaction, and enthusiasm displayed by both pupils and parents made the event a huge success. It was truly a wonderful learning experience that helped pupils develop confidence, communication skills, business awareness, and an appreciation for responsible money management. We sincerely thank all parents and guardians who supported this initiative and contributed to its success.

Children's Day Celebration

Our pupils also enjoyed a memorable Children's Day Celebration on 26th May, 2026. The event was filled with fun, laughter, and excitement as pupils participated in games, music, dancing, talent displays, and other recreational activities specially organized for them. The celebration provided an opportunity for pupils to interact, showcase their talents, and enjoy a well-deserved day of fun outside the regular classroom routine. It was indeed a joyful occasion that created lasting memories and reinforced our commitment to providing a balanced educational experience for every child.

Character Development and Co-curricular Activities

Regular assemblies, moral instruction sessions, sporting activities, and club engagements continued throughout the term. These activities have helped to promote discipline, teamwork, leadership, responsibility, and positive values among our pupils.

Mid-Term Break

Please be informed that the Mid-Term Break will commence on Wednesday, 10th June, 2026.

Pupils are expected to resume school on Monday, 15th June, 2026.

We encourage parents to ensure that pupils make good use of the break by revising their classwork, reading educational materials, and completing any assignments given by their teachers.

Graduation/Prize-Giving Day

We are pleased to announce that our annual Speech and Prize-Giving Day will take place on Tuesday, 21st July, 2026.

This special occasion will celebrate the academic achievements, outstanding performances, talents, and good character displayed by our pupils throughout the session. We look forward to welcoming parents, guardians, and invited guests as we celebrate the successes of our learners.

Further details regarding the programme will be communicated in due course

Looking Ahead

As we begin the second half of the term, we remain committed to providing quality education in a nurturing and supportive environment. We encourage all pupils to return refreshed, motivated, and ready to continue striving for excellence in all their endeavours.

We also wish to inform parents that the debate presentation for Elementary School will come up in Week Ten. We kindly encourage parents to support and guide their children in preparing adequately for this activity, as it will help build their confidence, public speaking skills, and critical thinking abilities.

School Fees and Clearance

Parents and guardians are kindly reminded to ensure that all outstanding school fees are settled promptly.

All pupils are required to come to school with their clearance on Monday 15th June, 2026.

Parents are also advised to liaise with the Account's through the school's official phone line for any enquiries or clarification regarding payments or financial matters.
